Note: Do not apply on fuel tank or mix with fuel.

## • Typical Properties

Test	ASTM Method	Results
Product Code		0192
Color	D 1500	L4.5
Flash Point, °C	D 92	233
Cold Cranking Simulator @ -15°C, Ccs	D 5293	6900
Kinematic Viscosity at 100°C, cSt	D 455	20.5
Viscosity Index	D 2270	133
Pour Point, °C	D 97	-15

## • Caution

Avoid long contact with skin. Extensive studies on the effect of oil derived hydrocarbons, which are the base of all types and trademarks of lubricant oils, have shown that these are harmful and can cause damage in humans. In case of eye contact, IMMEDIATELY flush eyes thoroughly with water and seek medical assistance. Keep all empty containers away from heat since emanating vapors are health hazardous.

Do not pollute. Do not pour used oil in drains or sewers. Empty containers of all oil residues, since these are soil and water contaminants.

Issue Date: December 29, 2014

**Don't pollute; protect the environment by disposing of used containers, oils and fluids at authorized sites. Verify that your service provider complies with environmental guidelines for fluids disposal.**
